

SAFETY DATA SHEET

ProBiotic Scrubber® OCC

FOR EMERGENCY ASSISTANCE INVOLVING PROBIOTIC SCRUBBER® OCC. Please call Global Organics® Products at 623-932-1522 or 800-471-1522. ProBiotic Scrubber® OCC is a registered trademark of and is distributed by BioLynceus®. This product is manufactured by Global Organics®.

Mechanical:

Product Identification Product Name: Common Names/Synonyms:

ProBiotic Scrubber® OCC None

Hazardous Ingredients / Identity

Complies with OSHA (HCS) 29 CFR 1910.1200 Section (2) "trade secrets" – Contains no hazardous components under OSHA definitions.

Composition/Information on Ingredients

Specific chemical identity and/or percentages of the composition is withheld as a trade secret.

First Aid Measures

Skin:

Ingestion:

Emergency & First Aid procedures: Routes of Entry: Inhalation: Eyes:

None Rinse thoroughly with water for 15 minutes; see physician if needed. None Dilute with water; see physician

Fire and Explosion Data

Flash Point:	None
Auto-ignition temp:	None
Special Fire Procedures:	None
Extinguisher Media:	None
Usual Fire and Extinguisher hazards: None	

Special Precautions & Spills/Leak Procedures

Precautions for Handling & Storage: Shake well or rotate before use. Store in cool area, keep out of direct sunlight.

Other precautions: Area of spill may become slippery. Steps for released or spilled: No special requirements known. Waste Disposal Methods: Disposal of material in accordance with all local, state and federal laws and regulations; no special requirement known.

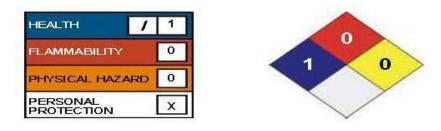

<u>Special Protection Information / Control Measures</u> Local exhaust / ventilation: Normal

Respiratory protection: Protective gloves:	Not required Not required, but	
	recommended	
Eye protection:	Not required, but recommended	
Other protective clothing/	recommended

For an updated SDS, please contact the supplier/manufacturer listed on the first page of the document. Information contained herein was obtained from sources considered technically accurate and reliable.

While every effort has been made to ensure full disclosure of product hazards, in some cases data is not available and is so stated. Since conditions of actual product use are beyond control of the supplier, it is assumed that users of this material have been fully trained according to the requirements of all applicable legislation and regulatory instruments. No warranty, expressed or implied, is made and supplier will not be liable for any losses, injuries, or consequential damages which may results from the use of or reliance on any information contained in this document. The above SDS reflects the latest information on file with respect to hazards, properties and handling of this product. No warranty however, expressed or implied, is made with regard to the use of this information. The information is the sheet was written based on the best knowledge and experience currently available.
